SORT October 2009 Newsletter

<http://www.sortclearinghouse.info>.

Welcome to the eleventh SORT CLEARINGHOUSE newsletter. This newsletter summarises new additions to the Social Research in Transport (SORT) clearinghouse research database. This newsletter is published bimonthly.

OUR NEW WEBSITE

We would welcome any feedback on our new site that you might have. Please take a moment to look over the site and let us know what you think of it and/or if you have any problems accessing the new site by clicking on the following link: enquiries@sortclearinghouse.info

NEW FEATURES:

- A clearer web page design layout
- More functions for easier browsing and searching or research
- Frequently Asked Questions help assistance
- New email and RSS feed functionality: this enables users to receive automatic updates of new research entries
- Access to previous newsletters
- A running tally of the top 10 most popular research entries
- Paper of the day link to remind users of the range of research entries
- A link showing the most recent additions
- An easier system to submit research for inclusion in the clearinghouse
- A running tally of research entry access
- Improved system performance and reduced down time.
- Authors should note that the new website will have greater links to web search systems increasing its hit rate.

NEW ADDITIONS

SORT clearinghouse now includes some 443 research reports/papers. Since the last newsletter, 28 items have been added, some of which are listed in the attached table.

CONTRIBUTE YOUR RESEARCH AND INCREASE YOUR CITATIONS

Should you have any relevant papers that you think should be included in this repository, please log on to www.sortclearinghouse.info and click on the My Account icon. SORT Clearinghouse is a very effective tool to increase author citations of research since it acts to publicise your research to those interested in this field. All entries are free of charge.
